

Year 8 Set 1

Websites

<https://www.stcuthbertsmaths.com/>

<https://corbettmaths.com/contents/>

Week beginning 1st June

Topic: Fractional & Negative Index Laws

Time: 3 hours

St Cuthbert's Maths Video: N54

Corbett Maths Video: 173 & 175

Corbett Maths Textbook exercise: 173 & 175 All Questions

This is a very difficult topic so I recommend watching both the St Cuthbert's Maths Video and the Corbett Videos and speak to me (Mr Roberts) on Google classrooms about any questions you don't get.

2nd Task

- I would then like you to spend time of all the GCSE past paper questions on Indices as it is a huge topic
- Next to the "WB 1st June" is a document "2nd task WB 1st June"
- It is every GCSE question on this topic in the last 4 years followed by the answer (please try and be honest and not read the answer before attempting!)
- It's a very big document so maybe do your answers on paper to save printing
